

StoCreativ® Lux

The luxurious new finish with added luster for a unique, eye catching surface

This refreshingly new wall finish combines the texture and depth of natural stone with reflective materials to create a sophisticated, durable, versatile and low maintenance wall surface, available in six elegant variations.

30304 Lumos Gold

30301 Iridescent Night

30300 Iridescent Pearl

30302 Spectra Ebon

30305 Lumos ArubaBlue

30303 Lumos SilverBlue

StoCreativ® Lux	
Feature	Benefit
Reflective Materials	Unique, lustrous look
Vapor Permeable	Allows substrate to breathe naturally
Ready-Mixed	Ready to use; no additive needed; easy application
Light Weight	Fast application; cost effective
Water-Based	Safe, non-toxic; cleans up with water
VOC Compliant	Meets EPA and SCAQMD requirements

Please Note:

This chart offers a representation of the StoCreativ Lux colors. Actual color of manufactured product may vary slightly from the chart. Color perception is affected by degree of gloss, texture, and lighting conditions. For best results, always request a product sample, select color under natural lighting conditions and construct full scale job site mock ups for final color approval.

Minor shade variations may occur from batch to batch (refer to batch no. on pail). Avoid installing separate batches side-by-side and avoid application in direct sunlight. Avoid installing new finish adjacent to weathered or aged finish. Sto Corp. will not be responsible for shade or color variation caused by application or substrate deficiencies, or fading resulting from natural causes such as weather.

ATTENTION

Sto products are intended for use by qualified professional contractors, not consumers, as a component of a larger construction assembly as specified by a qualified design professional, general contractor or builder. They should be installed in accordance with those specifications and Sto's instructions. Sto Corp. disclaims all, and assumes no, liability for on-site inspections, for its products applied improperly, or by unqualified persons or entities, or as part of an improperly designed or constructed building, for the nonperformance of adjacent building components or assemblies, or for other construction activities beyond Sto's control. Improper use of Sto products or use as part of an improperly designed or constructed larger assembly or building may result in serious damage to this product, and to the structure of the building or its components. **STO CORP. DISCLAIMS ALL WARRANTIES EXPRESSED OR IMPLIED EXCEPT FOR EXPLICIT LIMITED WRITTEN WARRANTIES ISSUED TO AND ACCEPTED BY BUILDING OWNERS IN ACCORDANCE WITH STO'S WARRANTY PROGRAMS WHICH ARE SUBJECT TO CHANGE FROM TIME TO TIME.**

For the fullest, most current information on proper application, clean-up, mixing and other specifications and warranties, cautions and disclaimers, please refer to the Sto Corp. website, www.stocorp.com.
